

Datasheet 2021/06/22

Product Name: *Anti-Extensin Glycoprotein [JIM20] Antibody*

Catalog Number: *ELD033*

Size: *5mL (supernatant)*

Specifications:

Product Type: Antibody

Antigen: Extensin glycoprotein

Isotype: Jim 11: IgG2c, Jim 12, 19, 20: IgM

Clonality: Monoclonal

Clone Name: Jim11, 12, 19, 20

Reactivity: Land Plants

Immunogen: Polysaccharide

Species Immunized: Rat

Buffer: Cell Culture Supernatant, 0.05% Sodium Azide

Tested Applications: IF 1:10

Storage: -20C

Shipped: Room Temperature

Provider: *From the laboratory of [Paul Knox, PhD](#), University of Leeds.*
